

The diagram is enclosed in a large rounded rectangle. Inside, there are three smaller rectangles stacked vertically. The top rectangle contains the text 'Battery pack in the nacelle'. Below it is the text 'made of'. The next rectangle contains '16 modules connected in series'. Below that is the text 'Each module has'. The final rectangle contains '12 Cells in series and 4 in parallel'. To the right of the middle rectangle, the text '6 packs needed' is written.

Battery pack in the
nacelle

made of

16 modules
connected in series

6 packs
needed

Each module has

12 Cells in series and
4 in parallel
